Kathy,

This is the first crosswalk they did. I don't like the one they modeled after Florida much but it is incomplete and what they really want is to get our feedback on the template. I don't have the Florida crosswalk any loner, I think I dumped it. Can you send it to me? I have been reading through the one they sent last, and it is very incomplete. DO you like this one better or worse?

More soon.

Dolores
